Introduction

The aim of this unit is to introduce students to the major developments taking place in digital marketing. It will enable students to develop an understanding of how hospitality organisations use various digital tools and techniques to engage their guests/customers and maintain a competitive advantage. This unit is designed to provide students with the knowledge and tools to work as part of a digital marketing team or go on to study more in this specific area.

Digital marketing is now a major component of all successful hospitality marketing campaigns. Hospitality organisations recognise the importance of having digital at the core of their business in order to meet the needs of technology-savvy guests/customers.

However, with the landscape continually evolving, it is important for marketers to stay ahead of their competitors and deliver cutting-edge digital marketing approaches and strategies.
