Introduction

The aim of this unit is to provide students with knowledge and understanding of the hospitality industry. Gaining insight into how hospitality organisations function within the wider business environment.

Students will examine the purpose of different hospitality organisations, exploring the size, scale and scope of the hospitality industry. Students will explore the skills requirements and the challenges that hospitality organisations have with recruiting sufficiently skilled staff to support business growth. Students will consider the external factors that impact the hospitality industry and will gain an understanding of what drives supply and demand for hospitality products and services. Students can then use the knowledge, understanding and skill sets gained in this unit to be able to identify, and take advantage of, potential trends and developments.
Learning Outcomes

By the end of this unit students will be able to:

1. Examine the current structure, scope and size of the hospitality industry
2. Explore current and anticipated skills requirements in the hospitality industry
3. Review the internal and external factors that impact the hospitality industry and how they relate to current issues facing the hospitality industry
4. Analyse the current and potential trends and developments affecting the hospitality industry.
Essential content

LO1 Examine the current structure, scope and size of the hospitality industry

The hospitality industry:
Definition of the hospitality industry
Different hospitality sectors and classifications of hospitality including accommodation; restaurants; pubs, bars and nightclubs; hospitality and food service providers; membership clubs and events; brands and businesses
The relationship between hospitality and travel and tourism sectors
The economic value and contribution of the hospitality industry
Direct and indirect impacts on the economy
The tangible and intangible nature of the hospitality industry
Different types of products and services within the hospitality sector

Organisational structure within different hospitality sectors:
Operational departments, functional departments and the interrelationships between these

Global growth and developments:
Key factors driving growth of the hospitality industry locally and internationally
The expansion of international hotel chains and brand identity
The growth of franchising and licensing agreements across hospitality sectors

LO2 Explore current and anticipated skills requirements in the hospitality industry

Staff types and job roles:
The different role and responsibilities of functional specialists: operational, supervisory, front line managers and back office management roles
Skilled/semi-skilled/unskilled positions

Hospitality skills sets:
Requirements for technical or practical skills in specific job roles
Priority skills for the hospitality industry e.g. customer handling skills, team working skills, cultural awareness
Current skills shortages in the hospitality industry
Drivers of skills gaps:
Contemporary factors driving skills shortages and high labour turnover
Factors that have affected recruitment and talent development e.g. migratory and mobile labour force, industry image, expectations around wages

Impacts on hospitality businesses:
A range of impacts that include increased workload for staff, de-skilling of operations, difficulties meeting quality standards, higher operating costs, difficulties introducing new working practices, loss of business to competitors

LO3 Review the internal and external factors that impact the hospitality industry and how they relate to current issues facing the hospitality industry

The macro environment:
Impact analysis of external factors using the PESTLE framework: the influence of political, economic, social, technological, legal and environmental factors
How hospitality organisations monitor and forecast external influences

The micro environment:
The impact of organisational internal factors using SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis to assist in the decision-making process within organisations

Factors effecting supply and demand:
How a variety of different factors both locally and internationally can impact on the supply and demand of hospitality products and services and how individual hospitality businesses can respond to these factors

LO4 Analyse the current and potential trends and developments affecting the hospitality industry

Drivers of current trends and developments:
Changing consumer lifestyle trends, sustainability and ethical considerations, the impact of the digital revolution on production and consumption, emerging markets and brand developments

Responding to trends:
How the hospitality industry responds to trends and developments
Product and service developments to meet changing demands
### Learning Outcomes and Assessment Criteria
